The winds and weather as of Logg
 Yesterday in the afternoon had sounding 6 as of Logg, but in the evening shoald our water to 6 fathoms 1/2 hard ground Sand by which believe we were upon the Golden Lyon. we halcy immediately as of Logg. but finding we did not deepen our water but very little we came to an anchor with our small Bower in 7 fathom water fine Sand with Shells, in the night had Squalls and Rain with a short tumbling Sea,
 At 6 this morning just as we have short our cable parted made sail and steerd as of Logg. this morning had a hard Squall and Rain which hid till noon, sounding 6 as of Logg

Little winds and fair weather as of Logg

At half past two yesterday in the afternoon we see the
 Island of Antioch bearing NW & N Dist: 14 Leagues
 At Sun set the Island bore as before, Dist: about 9 Leagues
 Lay the Ship too as of Logg
 At half past two this morning laid Sail, and Steer'd
 Down for the Island

to part Wind Sail
 NNW. SE & SE
 NW
 N

January 17th 1723/6.

Thursday the 20th

Fair weather the winds between the S & E. At 3 Yesterday in the afternoon
: anchored on the NW Side of the Island of Ascension. Dist: off Shore one mile
Depth of water 30 fathom fine black oz. Ground, here is a fine Sandy bay and
good Landing with your boats, Sent our Boat on Shore to Turn Turtle, --
this Morning the Boat returned onboard with two Left Eight on shore which
we fetched off afterwards, here we found a Tent with Bedding and Several Books -
with some writings by which we find there was a Dutch Man turned on Shore
here out of a Dutch Ship for being guilty of Sodomy in Last May. Could not
find him so believe he perished for want of water, the Compton is now on the
beak a Hooping her Leach, this Evening Sent People on Shore to turn Turtle --

Friday the 21st

Little winds and fair weather, this Morning Set up our four Shrouds, Mistaken
one John Dury searched the Ship but could not find him, believe he drowned
him self in the night he being Lunatick for some time, this Evening the
Compton made an end Hooping their Leach, are getting up Ready for Sailing in
the Morning.

Saturday the 22nd

At 5 this Morning weighed the wind at S.E. Steered N.W. At 8 the
Body of Ascension bore S.E. Distance 5 Miles, At Noon the body of S.E.
: Distance 5 Leagues.
